Registration Procedure

Register now online on the ESCMID website at:
www.escmid.org/research_projects/eucic/training_programme
The registration deadline is 3 June 2019.

Registration Fee

EUCIC trainee: Automatic registration, included in the fee for the training programme.
ESCMID member: 100 €
Non-ESCMID member: 120 €
The fee includes lunch and coffee breaks.

CME Accreditation

The organizers of the module will apply for European CME accreditation through EACCME.

Target Audience

Medical doctors and pharmacists, nurses or other healthcare professionals, who are interested in infection prevention and control or have completed the basic module.

Confirmed Faculty Members

Eirini Agapidaki, Nicosia, Cyprus
Maria Alexandrou, Larnaca, Cyprus
Michael Mendris, Lemesos, Cyprus
George Efstathiou, Nicosia, Cyprus
Stelios Iordanou, Lemesos, Cyprus
Demetris Lamnisis, Nicosia, Cyprus
Giagos Lavranos, Nicosia, Cyprus
George Nikolopoulos, Nicosia, Cyprus
Zoi-Dorothea Pana, Nicosia, Cyprus
George Petrikos, Nicosia, Cyprus
George Siakallis, Nicosia, Cyprus
Constantinos Tsioutis, Nicosia, Cyprus

@ ESCMID, January 2019

EUCIC Local Module Surveillance and Metacompetence

Nicosia, Cyprus
10 – 11 June 2019

Surveillance and Metacompetence

Organizer

European Committee on Infection Control (EUCIC) of the European Society of Clinical Microbiology and Infectious Diseases

Module Coordinators

- Constantinos Tsioutis, Nicosia, Cyprus
- George Petrikkos, Nicosia, Cyprus

Module objectives

This 2-day interactive course is for healthcare professionals who seek to acquire additional knowledge and skills on the basic concepts and objectives of surveillance, and to gain a European perspective in infection prevention and control.

This educational module workshop adds to the continuum of educational initiatives in the field of infection prevention and control, supported and organized by the School of Medicine, European University Cyprus.

The module focuses on:

- Key surveillance principles and structures, including data interpretation, management resources and surveillance networks
- Communication in infection control and investigation
- Cultural and structural determinants of infection prevention and control
- Knowledge and attitudes of healthcare professionals in infection prevention and control
- National, regional and international epidemiology of healthcare-associated infections, antimicrobial resistance, antimicrobial consumption

Module Programme

Monday, 10 June 2019

Surveillance systems and communication

Location School of Medicine, Room M1
Chair *Constantinos Tsioutis*

- | | |
|-------|--|
| 08:30 | Registration – Get together coffee |
| 09:00 | Introduction: why is surveillance necessary for infection control
<i>George Petrikkos</i> |
| 09:30 | Surveillance I: aims, definitions, how to interpret surveillance data
<i>Demetris Lamnisis</i> |
| 10:30 | Coffee break |
| 11:00 | Surveillance II: Modern approaches to HIV prevention
<i>George Nikolopoulos</i> |
| 12:00 | Practical session I: Communication skills in infection control
<i>Eirini Agapidaki</i> |
| 13:00 | Lunch break |
| 14:00 | Epidemiology I: Antimicrobial consumption: rates and prescribers' knowledge and attitudes
<i>George Siakallis</i> |
| 15:00 | Practical session II: What's new in infection control: emphasis on innovation
<i>Zoi-Dorothea Pana</i> |
| 16:00 | Coffee break |
| 16:30 | Epidemiology II: Laboratory-based surveillance of antimicrobial resistance – a European perspective
<i>Maria Alexandrou</i> |
| 17:30 | End of day |

Tuesday, 11 June 2019

European perspectives and Metacompetence

Location School of Medicine, Room M1
Chair *Constantinos Tsioutis*

- | | |
|-------|---|
| 08:00 | Local stories I: Auditing the compliance of healthcare professionals with infection control practices: experience in Cyprus
<i>George Efstathiou</i> |
| 09:00 | Local stories II: Auditing infection control practices in the ICU
<i>Stelios Iordanou</i> |
| 10:00 | Coffee break |
| 10:30 | Practical session III: Investigation and management of an outbreak: the importance of communication
<i>Giagkos Lavranos</i> |
| 11:30 | Epidemiology III: The contribution of the microbiology department on diagnostic stewardship
<i>Michael Mendris</i> |
| 12:30 | Discussion session: Overcoming cultural and structural differences in infection control across Europe
<i>Constantinos Tsioutis</i> |
| 13:15 | Closing remarks, Assessment and Module evaluation
<i>Constantinos Tsioutis</i> |
| 14:00 | Lunch at local tavern offered by the European University Cyprus |
