

Medical Student Orientation

Medical Student Orientation is an essential part of a successful transition to Medical School. Crossing the threshold of the Medical School, you are taking your initial steps into the profession. Medical Student Orientation is foundational to your success as a medical student at EUC and will provide you with information vital to your matriculation. The program will set the tone for your academic career and highlight expectations of you as a student, as well as give you the opportunity to meet your fellow classmates. Medical Student Orientation culminates with the "White Coat Ceremony", where you will receive your first white coat and take your first step towards the responsibility of becoming a physician by reciting an oath dedicating yourself and pledging integrity in the study and practice of medicine.

WHITE COAT CEREMONY		CULTURAL CENTER
18:30-19:30	White Coat Ceremony Preparation	AUDITORIUM ALPHA
19:30-20:30	Commencement: The White Coat Ceremony The White Coat Ceremony is a rite of passage for each entering class. This annual tradition of the European University Cyprus School of Medicine marks the entrance of the matriculating class of students into the medical profession. It marks an important milestone in your career, and is shared with family, friends and colleagues. Students receive their White Coat and recite an oath, pledging dedication to the ethics and standards of learning medicine. Medical Students are cloaked in their first white coat as a symbol of the trust being bestowed upon them to carry on the noble tradition of doctoring.	CULTURAL CENTER
20:30	Light Reception	CULTURAL CENTER LOBBY
