Medical Students' Orientation

18-20 September 2018

Medical Students' Orientation is an essential part of a successful transition to Medical School. Crossing the threshold of the Medical School, you are taking your initial steps into the profession. Medical Student Orientation is **fundamental** to your success as a medical student at European University Cyprus and will provide you with information vital to your matriculation. The program will set the tone for your academic career and highlight expectations of you as a student, as well as give you the opportunity meet your fellow classmates.

Medical Student Orientation culminates with the "White Coat Ceremony", where you will receive your first white coat and take your first step towards the responsibility of becoming a physician by reciting an oath dedicating yourself and pledging integrity to the study and practice of medicine.
